

O%RIGINAL

José Maria da Fonseca was a pioneer in terms of creating the first Portuguese alcohol-free wines.

The brand O%riginal was created in order to reflect the benefits / characteristics of the product itself. A real, authentic wine (original) without alcohol (<0.5%).

O%riginal gives you the complete wine experience without the alcohol.

Produced from the grape variety Moscatel, fermented at low temperatures, the alcohol is gently removed by a physical process while preserving the wine's delicate aromas and flavors.
